∞

MALAYSIA

5.

Sector	: All Sectors
Sub-Sector	: -
Industry Classification	: -
Level of Government	: Central and Regional
Type of Obligation	: National Treatment Senior Management and Board of Directors
Description of Measure	: National Treatment and Senior Management and Board of Directors may not apply to privatisation, or divestment of assets through transfer or disposal of equity interests or assets owned wholly or partially by the Government or Government-linked entity ² .

All privatised projects are subjected to Malaysia's development policies and the Privatisation Master Plan with regards to foreign participation. Privatisation projects must be at least 75% Malaysian owned. Foreign participation may be considered in the following cases:

- Where foreign expertise is needed to upgrade efficiency and such expertise is not available locally.
- Where their participation is necessary to promote export market;
- Where local capital is insufficient; and
- Where the nature of business requires international linkages and exposure.

All conditions imposed on existing privatised entities will continue to be applicable.

Source of Measure	: - Malaysia privatization programme. - Privatisation Master Plan. - Guidelines on Privatisation. - The Ninth Malaysia Plan. - New Economic Policy. - National Development Policy. - GLC Transformation Programme. - Minister of Finance (Incorporation) Act 1957.
--------------------------	---

∞

² Government-linked entity includes Government-Linked Company (GLC) and Government-Linked Investment Company (GLIC) where the Government holds control of such entity including ability to appoint Board of Directors, Senior Management and make major decisions for the company.

MALAYSIA

6.
